Dear Joe,

On behalf of the Purchasing Office I would like to thank-you for your diligence, hard work, and effort with this current move from Zimbabwe. I would also like to thank you for your integrity, and reliability by passing on to us the savings given to Sonigo, by the forwarder. This further reinforces our positive perception of you personally and professionally and of course the good reputation of your company Sonigo Quality Worldwide Moving Ltd .

Be assured that your continued high level of customer service goes along way towards strengthening our professional relationship.

Kind regards.
